

SHELTERS, BUNKERS & SAFE ROOMS

KIBO Stand-Alone Shelter

The **KIBO stand-alone shelter** is based on proven and tested security structures which are used for many years around the world by military and government organizations, law enforcement and security companies and more. Our solutions are saving lives!

Kibo shelter are designed as emergency 'panic' rooms to provide immediate and rapid protection from various armed threats and disasters. The shelters are bulletproof, blast rated and forced entry protected units with decorative finishing which can allow aesthetic blending in the property design and disguise the purpose of the building.
